20 June 2008

Lani
Dear Ms. Hay,

I want to personally thank you for helping to make the 2008 HQ NAVSEA Asian Pacific American Heritage Month Observance a huge success. I have received numerous comments from attendees raving about how positive and motivated they felt after the event. I especially want to thank you for serving as one of our keynote speakers for the event.

Your comments during the observance were enlightening. We are appreciative of your entrepreneurial and organizational leadership skills. I also enjoyed hearing your comments concerning the diversity of your company, Lanmark Technology, Inc. Diversity is one of the top five areas of emphasis during my tenure as Commander, Naval Sea Systems Command. After hearing from the attendees of this event, I am confident we will achieve our goal of becoming the employer of choice for the best and brightest that our Nation has to offer.

Warmest regards,

P. E. SULLIVAN
Vice Admiral, U.S. Navy
